What is it?

A focused workshop to:

- Reflect on where you stand
- Reset goals and direction
- Align your team on next steps
- Boost adaptability and focus

Whether it's Q1 or Q4 — every quarter counts.

How It Works: ARC 5-Finger Flow

1. **Quick Test** – 7-minute mindset check (Hawk, Elephant, Turtle, Caterpillar)
2. **TOWS Table** – Map strengths, weaknesses, opportunities, and threats
3. **Direction Grid** – Set goals and OKRs
4. **Action Board** – Define next steps and responsibilities
5. **Learning Loop** – Reflect, refine, and repeat

Guided by the **ARC Co-Pilot** – your digital clarity assistant.

Change is here! What is your plan?
Let's build your roadmap—before the next quarter builds it for you.
